

MICROMART™

AI SMART STORE

Premium Workplace Refreshment Solution

Elevate the tenant experience with a modern, cashier-free market offering fresh meals, healthy snacks, beverages and everyday essentials—available 24/7.

Our AI-powered Smart Store delivers a premium retail experience with zero cost or staffing for property owners.

24/7 ACCESS

Open anytime for your team.

AI-POWERED CHECKOUT

Computer vision technology for a seamless experience.

FRESH FOOD & BEVERAGES

Wide selection of healthy and everyday favorites.

HEALTHY OPTIONS

Nutritious choices to support employee well-being.

CASHLESS PAYMENTS

Pay securely with major cards and mobile wallets.

PROFESSIONALLY MANAGED

We handle stocking, service and maintenance.

HOW IT WORKS

1

Tap your credit card or mobile wallet.

2

Open the Smart Store.

3

Grab the items you want.

4

Close the door.

5

AI automatically recognizes your items and completes your purchase.

SECURE. PRIVATE. SEAMLESS.

Advanced AI computer vision ensures an easy, secure and contactless shopping experience every time.
